Understanding the sources of phosphorus in our rivers

Section 6 reports This issue was discussed and the possible areas within the Llanelwedd community which may be looked at could be the Quarry and the Wernhaelog development. Both areas are closely involved with NRW and environmental issues appear to have been addressed

Builth Wells Community Support: request for financial support. The Community Council discussed the amount of grant they wished to give to the BWCS and an agreement of £300 was made

The Green GEN Cymru: Notice received of a Meeting for Town & Community Councils, 20th April regarding this issue P.C.C. ask for number of Cllrs who wish to attend and any possible questions they wish to raise.

Builth Quarry Noise: No additional complaints have been brought to the attention of the Community Council. It was agreed to monitor the situation.

The new walkway under construction from the corner of Llanelwedd Arms through Jewsons yard to the school was discussed. The issue of the pavement requiring widening in areas where there are narrow 'bottle-neck' especially by the school hedge were discussed.
